Film Industry Plans Part in County Fiesta

Displays of many phases of motion picture production will be attractions of the San Mateo County Fiesta to be presented at Bay Meadows for four days beginning Sept. 18.

Major studios have agreed to co-operate with fair officials but the specific nature of their plans has not been announced.

Addition of the motion picture feature to the program is but one of the many efforts being made by officials of the fiesta to assure visitors a broadly diversified program of entertainment and exhibits.

631 Attend Second Affair

With the second Summer dance even more successful than the first one held two weeks previously, committeemen staging the affairs made plans today to bring another orchestra to Redwood City Saturday, Aug. 23, for a third outdoor dance.

A total of 631 people paid admission Saturday night to the dance for which Lu Watters' Yerba Buena Jazz Band played. He made such a hit with the crowd that Joseph E. Primeau, chairman of the dance committee, said he would be brought back for a dance Saturday, Sept. 6, if he were available.

Primeau expected to engage an orchestra today through the Music Corp. of America for the dance two weeks hence.

Saturday night's dance, drawing as it did about 30 persons more than the one July 26 for which Muzzy Marcellino played, will clear about $175 for the recreation fund, it is expected. Had the night been warmer, it is believed even more people would have attended, for a number drove to the site and then left when it seemed too cool for enjoyment. A wind which arose during the early evening died down later, however, and with nearly a full moon shining, the evening proved to be a pleasant one for participants.

Winners of a jitterbug contest staged during the evening were Evelyn Campi and Tony Cari of San Francisco, who were given a $5 bill.

Members of the Fourth of July Committee, sponsors of the dance, aided by members of the Redwood City Commuters Club and city employes, handled the dance, which proved to be orderly.

Before the next dance is staged, the dance floor, which has become sticky, will be completely sanded and smoothed, Chairman Primeau said.

Fur Stylist Offers Fashion Show Here

Mr. A. Nathan, Montgomery Ward fur expert and stylist from New York City, will present a $15,000 Fur Coat showing at the local Montgomery Ward Store next Monday and Tuesday. Company officials who have previewed this style show proclaim it an innovation of which they are more than proud. Ermine Coats selling at $495 will feature the show. However, Mr. Nathan emphasises the fact that a complete price range of all popular types of furs will receive equal enthusiasm. Of particular interest to Redwood City women will be the new Eastern coat styles in dress lengths slightly shorter than last year's plus full back effects pleated from a yoke. This and many other interesting style highlights should make this one of the oustanding Fur Coat Previews of the season.

John Sutter's Kin Dies at Daly City

SAN MATEO — Mrs. Amanda Sutter Jose, described as the last direct descendant of John Sutter of Sutter's Fort, died last night at her home on the San Mateo - San Francisco county line at Daly City. She was about 70.

Although she reputedly left an estate worth $350,000, Mrs. Jose did not have medical care during her last illness. As a result, her death became a coroner's case and both San Mateo and San Francisco county coronor's offices were called.

Coronor William F. Crosby understands the bedroom in which Mrs. Jose died is on the San Mateo County side of the line, but W. C. Lasswell & Co. in Daly City reported it is in San Francisco. Crosby, however, is handling the case.

Currently, 17 governors were born outside the states they govern.

U.S. Aid To Roads Urged

If Congress, which recently had a highway appropriation bill vetoed by President Roosevelt, launches a new move to provide funds for improvement of highways, it will find the Redwood City Chamber of Commerce in favor of the legislation.

This was the consensus of directors as expressed Monday afternoon at a routine business meeting.

A proposal of Chairman Henry Witte of the chamber's highway committee that the state's congressional delegation be urged to further federal road legislation to assist California in meeting demands of defense highways was approved to the extent that when such legislation is introduced, as it is expected to be, then congressmen will be urged to support it.

Plans were made for representatives to attend several future events: the State Park Commission and park inspection in this county Aug. 30-31; dedication of the new Ocean Shore Hwy. sector next Sunday; last night's housing meeting, and a Los Angeles convention of the National Association of Commercial Organization Secretaries, which Secty. Roscoe D. Wyatt will attend.

S.F. Man Dies While Weekending Here

Stricken with a heart attack while spending the weekend at his cabin on Portola Rd. near Woodside, Antone Mihovich, 67, of San Francisco, passed away early Sunday.

With him when he died were his wife, Catherine, and son, John, who had come down from the city with him. Mr. Mihovich had been ill for some time.

Boy Saves Passersby, But Gets Shot Himself

Passersby on a road near Montara were saved but the youth who may have kept them from being shot was in Mills Memorial Hospital today suffering from a shotgun wound in his right ankle.

Victim of a hunting mishap because he kept his friend from shooting recklessly was James Nye, 17, of Moss Beach. With Bobby Powell, 13, he had gone rabbit shooting Saturday afternoon. The younger boy raised his 410-gauge hammer-action shotgun to shoot at a rabbit, deputy sheriffs later were informed, when young Nye cautioned him not to shoot because on a road just a short way beyond were some men who might have been in the line of fire.

Young Powell dropped the barrel of the gun down and attempted to let the hammer down on the firing pin, but the hammer slipped out of his finger, and the gun fired—with the charge going into the leg of the Nye boy.

At the hospital, attendants reported the injury was not serious.

Husband Seeks Letters In Stella Falk Estate

Petition for letters of administration in the estate of Stella M. Falk, San Mateo, were filed in superior court here. Mrs. Falk died July 24 and left no will for the disposition of her estate which is estimated to be "in excess of $10,000," in real and personal property.

Heirs, in addition to the petitioner, are Harry W. Regan, Burlingame, and Frank J. Regan, San Mateo. Each is a brother of the deceased.

Imports from the Netherland Indies reached a record high valuation in 1940, the Department of Commerce reports.

Belmont P.O. Work To Begin Tomorrow

BELMONT — When the bids were opened here Saturday afternoon, Archie Da Mant, San Carlos building contractor, was awarded the contract for construction of the new building which will house the Belmont Post Office.

Da Mant's bid of $13,573.75 was the lowest of five submitted on the job that includes a 15-foot store and a 40-foot market building in addition to the post office structure. Work on the new building will start tomorrow.

Jesse N. Davis, owner of the property on which the building will be erected, has signed a 10-year contract with the government for occupation of the building. The site adjoins the building now occupied by the Belmont City Library.

The distance from New York to Suez is 5193 miles.

NYA Again Offers Work to Local Youths

The National Youth Administration intends to resume its acceptance of Redwood City youths for actual work experience in trades preparing them for the national defense industries, Frances Bierman, county youth personnel supervisor, announced.

The NYA in the past few months has been placing youths in the various resident projects throughout the state. Practically all of these youths after an average of three months of NYA work experience have been absorbed into private industries.

Besides the resident projects there is also an opportunity for Redwood City youths to work in the NYA shops in San Francisco. These shops provide work experience in the sheet metal, machine shop, wood working, auto mechanic, and radio trades, most of them stressing experience for the ship building industry.

Transportation will be provided to San Francisco from Redwood City.

Miss Bierman will accept applications from any interested youth between the ages of 17-25, each Wednesday from 10:30 to 12 a.m. at the City Hall, Redwood City.
